

1

2 I claim:

3 1. A treatment table, comprising:

4 a base frame;

5 a table top attached above said base frame, said  
6 table top having an upper support section, center  
7 support section and a caudal support section;

8 lifts independently coupled to said upper support  
9 section, center support section and caudal support  
10 section to independently move said upper support  
11 section, center support section and caudal support  
12 section with respect to said base frame; and

13 a foot tub in said caudal support section.

14

15 2. The table as recited in claim 1 wherein said foot tub  
16 is permanently inserted into said caudal support  
17 section.

18 3. The table of claim 2 wherein said foot tub has a drain  
19 on the bottom of said foot tub.

20

21 4. The table of claim 1 wherein said caudal support  
22 section further includes a cover over said foot tub.

23

24

1 5. The table of Claim 3 wherein said foot tub further  
2 comprises a water heater within said foot tub.

3

4 6. The table of claim 3 further comprising air-jets in  
5 said foot tub.

6

7 7. The table of claim 1 further comprising a pivot support  
8 section positioned between said upper support section  
9 and said center support section.

10

11

12 8. The table of claim 3 further comprising a headrest  
13 attached to said upper support section.

14

15 9. The table of claim 3 further comprising a foot-rest  
16 attached to said caudal support section.

17

18

19 10. A treatment table, comprising:

20 a base frame;

21 a table top attached above said base frame, said  
22 table top having an upper support section, center  
23 support section and a caudal support section; and

1           a foot tub inside caudal support section of said  
2           table top.

3   11. The treatment table of claim 10 further comprising a  
4       pivot support section positioned between said upper  
5       support section and said center support section.

6  
7   12. The treatment table as recited in claim 10 wherein said  
8       upper support section, center support section and  
9       caudal section are indepentily attached to said base  
10      frame

11  
12   13. The treatment table as recited in claim 11 wherein said  
13      caudal section further includes a cover over said foot  
14      tub.

15  
16   14. The treatment table as recited in claim 11 wherein said  
17      treatment table is portable.
